

Flight Program 13 - 16 October 2012

Langkawi Flight Safari

This program is almost certainly subject to change, either because of weather or because we decide to do something else. Since we have our own aircraft we are not bound by time tables, so let's have fun and explore Malaysia from the air.

We will prepare flight plans and flight logs for all eventualities.

Saturday, 13 October

Est. Time	Place	Activity
08:00	FRAS Flying Club, Senai Airport	<ul style="list-style-type: none"> • breakfast at the club • flight briefing • weight and balance • paper work
